

## 2022-2023 關注事項 Areas of Concern

1. 加強培養學生成為積極的自主學習者，特別關注按著學生的身心及智性發展，優化校本自主學習課程。裝備學生適當的自主學習策略，加強生生之間的互動學習，以提升學習效能及態度。

To further cultivate students to become proactive self-directed learners, putting special focus on students' physical and mental development as well as the optimization of the School-based Self-directed Learning Curriculum. To equip students with appropriate self-directed learning strategies and foster peer interaction and learning with a view to promoting students' learning efficiency and attitude.

2. 以實踐基督精神為基礎，培養學生成為愛主愛人(特別關注愛家庭、有同理心)及有責任感(特別關注樂於服務)的孩子。

To lead students to live in the spirit of love (focus on the love towards family and the sense of empathy) and nurture their sense of responsibility (focus on the enthusiasm for serving) with the practice of the Christian spirit serving as the foundation for their growth.
